PATIENT INSTRUCTIONS

PLEASE READ CAREFULLY • Call 530-OPEN-MRI (673-6674) to schedule your appointment directly, or for more information

- Please arrive 15 minutes early. Wear comfortable clothes.
- Bring any previous relevant studies (X-Rays, bone scans, CT, MRI, Ultrasound) on a CD.

MAGNETIC RESONANCE IMAGING (MRI)

- **IMPORTANT:** Let us know if you have a pacemaker or intracranial aneurysm clips, nerve stimulators, metallic implants, stents or metal fragments in your eyes or body.
- Avoid wearing jewelry that would be attracted to a magnet.
- Wear clothing without metal clips and buttons. Jogging suits are recommended.
- If you are **CLAUSTROPHOBIC**, please inform the scheduling clerk. You may need to arrive one hour prior to examination for medication. **DRIVER** may need to accompany patient after the exam.

CT SCAN

- **With IV contrast:** Only clear liquid 4 hours prior to the exam.
- **Allergic to iodine:** Call YCAIC (673-6674) for instructions.
- **Abdomen/Pelvis:** ONLY clear liquids 4 hours before the exam.
- **Chest:** Bring most recent x-rays or CT scan images on a CD.

ULTRASOUND

- Abdomen: Do not eat or drink 4-8 hours before the exam.
- Pelvis/OB: Drink 32 ounces of non carbonated fluid and finish 1 hour before exam. **DO NOT** empty your bladder.
- Renal: Drink 32 ounces of non carbonated fluid 1 hour before exam. No eating 4 hours prior.

MAMMOGRAM

- Wear a comfortable top (a loose blouse or sweater rather than a dress). You will need to undress from the waist up.
- Avoid deodorant, creams or perfume on your underarm or breast area (these cause artifacts on your images).
- Bring previous mammograms images on a CD if possible.
